Dear Friends and Family [or addressed to individuals],

Will you [join me](#) in helping [Clarke Schools for Hearing and Speech \(Clarke\)](#) reach their goal of 200 Giving Tuesday donations this year? Mark your calendar for Giving Tuesday, a global day of giving celebrated on Tuesday, December 3.

Clarke serves nearly 1,000 students who are deaf or hard of hearing who use listening and spoken language services. From learning to listen and talk, to excelling at hobbies and sports, to graduating and pursuing careers, [your donation](#) will move Clarke families forward.

[Insert personal connection to Clarke. For example, As a Board Member... or As a parent of a Clarke student... or As a member of the Clarke team... This is a great opportunity to share your role in helping move Clarke families forward]

More life-changing learning is possible when we move #ClarkeFamiliesForward. The possibilities are endless, and the [outcomes are exciting!](#)

Thank you!

xx
